Stephen Orsino

As a newly graduated software and website devleoper, I am seeking to get my career in programming and development started with an organization I can grow with professionally.

EXPERIENCE

WEB DEVELOPER
Fusion Marketing
Davie FL

Developing commercial websites using the Foundry Commerce CMS. Maintaining and updating our current websites.

Designed and developed our current corporate brand image including our corporate logo

PROGRAMMING TUTOR
Broward College
Davie FL

Assisting students with coursework in C++, Java, SQL, JavaScript, PHP, HTML/CSS as well as Microsoft Office and basic computer skills.

MENS DEPARTMENT MANAGER
Armani Outlet
Sunrise FL

Monitored sales performance of individual product styles and classes in order to effectively merchandise and structure the men's department to maximize sales.

Trained and coached sales associates in selling skills, product knowledge, and product maintenance.
